

HELLO!

we are:

Aleksei

Irina
(25 y.o.)

Marsik
(5 y.o.)

We are married couple from Russia who just moved to UK because of Aleksei's work and ready to move in as soon as possible

- Aleksei is a senior software engineer in VEED.IO (UK-based permanent employment contract)
- Ira is an actress and a freelance video editor
- Household income: £100k+ per year

✨ we are tidy, responsible, friendly, non-smokers
in our free time at home we love baking, watching films, playing board games, DIY

✨ our cat is castrated, healthy, short-haired, well-behaved
and the only thing that we regretted while living with him is that we didn't take him
earlier

✨ we are only about to make your place better
and keep it safe and sound!
